

Katy On A Mission (Prod. by Benga)

Katy B

And this room of darkness I ain't undercover
That won't stop my prowess rubbing off on to another
Elevating higher as my body's moving lower
Now I've reached my element you better move over oh But he doesn't he blocks my way
I try to push past but he wants to play
So I sip his drink as I hold his gaze
Ooh When we erupt in to the room
And hear the sub go boom
A feeling easy to resume
This right here I swear will end too soon
So I sink in to the tune
As I inhale the fume
A feeling easy to resume
This right here I swear will end to soon (This right here I swear will end to soon) My limbs seem to move what
the beat dictates to me
I push in to the middle the sound becomes a part of me
Taking me back to that sweet familiarity
Making my adrenalin rise I feel the eyes on me Sip the bottle now don't be slow
Keep up with me as we lose control
Keep up with me as we lose control When we erupt in to the room
And hear the sub go boom
A feeling easy to resume
This right here I swear will end too soon
So I sink in to the tune
As I inhale the fume
A feeling easy to resume
This right here I swear will end to soon (This right here I swear will end to soon) When we erupt in to the room
And hear the sub go boom
A feeling easy to resume
This right here I swear will end too soon
