Sometimes

Ours

Pressure fried the coldest head
Bent to the side wishing he was dead
And I would still defend
I would still defendI give up on it all
I give up on the greed
I give up on the ones
Who give up on meHeld up by the poor somewhere
There're unaware but I know we are scared
If I was to give in
The fight would soon begin, againSo I give up on it all
I give up on the greed
I'll give up on the ones
Who'll give up on meSometimes, sunshines
Sunshine
Sometimes, the sun shines
SunshineDid you give up on it all?
Did you give up on the greed?
Did you give up on the ones?
Who gave up on me?Did you give up on it all?
Did you give up on the greed?
Did you give up on the ones?
Who gave up on me?
