

Good Day Today (DiskJokke Remix)

David Lynch

So tired of fire, so tired of smoke
So tired of fire, so tired of smoke
Send me an angel, save me
Send me an angel, save me I wanna have a good day today
I wanna have a good day today
I wanna have a good day today
Good day today Tired of ? goes so low
Tired of ? goes so low
Send me an angel, save me
Send me an angel, save me So tired Send me an angel, save me
Send me an angel, save me
Send me an angel, save me I wanna have a good day today
I wanna have a good day today
I wanna have a good day today
Good day today So tired of fearing, so tired of dark
So tired of fearing, so tired of dark
Send me an angel, save me
Send me an angel, save me I wanna have a good day today
I wanna have a good day today
I wanna have a good day today
Good day today
