

# No Boundaries

Adam Lambert

Oh, seconds, hours, so many days  
You know what you want but how long can you wait?  
Every moment lasts forever  
When you feel you've lost your way And what if my chances were already gone  
I started believing that I could be wrong  
But you gave me one good reason  
To fight and never walk away  
So here I am still holding on With every step, you climb another mountain  
Every breath, it's harder to believe  
You'll make it through the pain  
Weather the hurricanes to get to that one thing Just when you think the road is going nowhere  
Just when you almost gave up all your dreams  
They take you by the hand and show you that you can  
There are no boundaries, there are no boundaries I fought to the limit to stand on the edge  
What if today is as good as it gets?  
Don't know where the future's headed  
But nothing's gonna bring me down Jumped every bridge, I've run every line  
I risk being safe, I always knew why  
I always knew why  
So here I am still holding on With every step, you climb another mountain  
Every breath, it's harder to believe  
You'll make it through the pain  
Weather the hurricanes to get to that one thing Just when you think the road is going nowhere  
Just when you almost gave up all your dreams  
They take you by the hand and show you that you can You can go higher, you can go deeper  
There are no boundaries above and beneath you  
Break every rule  
Cause there's nothing between you and your dreams With every step, you climb another mountain  
Every breath, it's harder to believe  
You'll make it through the pain  
Weather the hurricanes to get to that one thing Just when you think the road is going nowhere  
Just when you almost gave up everything  
They take you by the hand and show you that you can  
There are no boundaries, there are no boundaries  
(There are no boundaries, there are no boundaries)  
Oh, there are no boundaries, there are no boundaries  
(There are no boundaries, there are no boundaries)  
There are no boundaries
