

# Devil Came To Me (2007 Remastered Version)

## Dover

Devil came to me  
And he said: I Know what you need  
Devil came to me  
And he said you just follow meThis is the end but I'm not surprised  
You will burn in hell  
Do you know why?Devil came to me  
And he said: I Know what you need  
Devil came to me  
And he said: you belong to meThis is the end but I'm not surprised  
You will burn in hell  
Do you know why?I lied for you, I lied for you  
I lied for you, I lied for youThe moon was red and night became my friend  
But the stars were evil  
And they said: like you were  
The moon was red and night became my friend  
But the stars were evil  
And they said: hey, like you were  
This is just the end  
You will burn in hell tell us if you're scaredDevil came to me  
And he said: I know what you need  
Devil came to me  
And he said: what you need it's meThis is the end but I'm not surprised  
You will burn in hell  
Do you know why?The moon was red and night became my friend  
But the stars were evil  
And they said: hey, like you were  
This is just the end  
You will burn in hell tell us if you're scaredEverybody say now I will take the lessons  
That I forgot to learn at school  
And they go like: everybody say you deserve  
What you get  
But oh! no, I didn't mean to hurtI lied for you, I lied for you  
I lied for you, I lied for youThe moon was red and night became my friend  
But the stars were evil  
And they said: like you were  
The moon was red and night became my friend  
But the stars were evil  
And they said: hey, like you were this is just the end
