

Neon Knights (2007 Remastered)

Black Sabbath

Oh no, here it comes again
Can't remember when we came so close to love before
Hold on, good things never last
Nothing's in the past, it always seems to come again
Again and again and again Cry out to legions of the brave
Time again to save us from the jackals of the street
Ride out, protectors of the realm
Captain's at the helm, sail across the sea of lights
Weaving a charm and a spell
Blessed by the night, holy and bright
Called by the toll of the bell Bloodied angels fast descending
Moving on a never-bending light
Phantom figures free forever
Out of shadows, shining ever-bright Neon Knights
Neon Knights
All right Cry out to legions of the brave
Time again to save us from the jackals of the street
Ride out, protectors of the realm
Capatin's at the helm, sail across the sea of lights
Again and again, again and again and again Neon Knights
Neon Knights
Neon Knights
All right
