# Lover`s Spit

## Broken Social Scene

All these people drinking lover's spit
They sit around and clean their face with it
And they listen to teeth to learn how to quit
Tied to a night they never metYou know it's time
That we grow old and do some shit
I like it all that wayAll these people drinking lover's spit
Swallowing words while giving head
They listen to teeth to learn how to quit
Tied to a night they never metYou know it's time
That we grow old and do some shit
I like it all that way
