

Gentle

Low

Gentle, middle, quiet, narrow

Careful, measure

Tortured, stable

It doesn't have to end this way

But this is where we stand Hunter, watching, waiting,

Silence, listen, hello

Blessing, treading

It doesn't have to end this way

But this is where we stand

I'll come here, come in place

Feel my breath slipping away

It kills me with my mistake

I will listen what you say

I'll come here, come in place

Feel my breath slipping away

It kills me with my mistake

I will listen what you say

I'll come here, come in place

Feel my breath slipping away

It kills me with my mistake

I will listen what you say

I'll come here, come in place

Feel my breath slipping away

It kills me with my mistake

I will listen what you say
