

Ever After

Neil Young

When you hear that rooster crowin'
In the dawn, in the dawn
There's really no way of knowin'
What goes on, what goes onThe world is full of questions
Some are answered, some are not
The only faith you're keepin'
Is the faith that you still gotI love the sound of laughter
And music in the air
And in the ever after
I know it's always thereA man had many boxes
And he liked them quite a lot
But they would not be opened
'Cause the value would be shotSometimes when I go walkin'
In the trees, in the trees
That's where I do my prayin'
In the trees, in the treesThe world is full of answers
Some are right, some are wrong
The one that I believe in
Is a wish in a songI love to see you smilin'
And hear your voice so fair
And in the ever after
I know you're always there
