Lil Scrappy

shawty spoiled (shawty spoiled)
say shawty spoiled (shawty spoiled)
Shawty Spoiled

I got a bad
Yea, she super fine
She a vampire
I think she read minds
She like to shop
And got her own cash
She like clothes but really love bags
All she want is bags (she get what she want)
All she want is bags (she get what she want)
Red bottom high heels to match her bag
All she want is bags (she get what she want)
All she want is bags (she get what she want)
Super duper trill to make her
All I want is bags, All I want is bags
Buy me a bag and then imma holla back
All I want is bags, All I want is bags
Buy me a bag and then imma holla back

(Rasheeda)
Got that Louis, Got that Birkin
If you aint gt them racks n it aint even working
Monday on giuseppe's, Tuesday on them Lubies
