

Dakota (Shayne Orok Cover)

A Rocket to the Moon

She knows exactly what to do,
Whenever I'm alone with her.
I can barely make a move
By the time she opens up her eyes
She sings to me at night
She's singingShe knows exactly what to do,
Whenever I'm alone with her.
I can barely make a move
By the time she opens up her eyes
She sings to me at night
She's singingI know that she barely knows me
And I'm faking love with her
It's like I'm singing karaoke
And I forgot the second verse
But I, can make up my own words
Oh Dakota, I know our love is new.
I barely know ya
I'm falling over you
It's the way you do, the things you do
That make me fall in love with you
Dakota, are you in love with me too?She's got a little bit of money and a little bit of this
And it's all she needs to live
I got a little bit of love, and a little bit of that
And it's all I have to give
This time I'll try not to show, whoa
That I am not letting goOh Dakota, I know our love is new.
I barely know ya
I'm falling over you
It's the way you do, the things you do
That make me fall in love with you
Dakota, are you in love with me too?I'll show ya, I'll show ya
And you'll know, and you'll know, I'm not letting goI'll show ya, I'll show ya
And you'll know, and you'll know, I'm not letting goOh Dakota, I know our love is new.
I barely know ya
I'm falling over you
It's the way you do, the things you do
That make me fall in love with you
Dakota, are you in love with me too?Oh Dakota, I know our love is new.
I barely know ya

I'm falling over you
It's the way you do, the things you do
That make me fall in love with you
Dakota, are you in love with me too? I'm in love with you, are you in love with me too?
