Do Unto Others

Cro-Mags

Every day I ask why
You were picked to be jesus christ
It coulda been me
It shoulda been me
Up on the cross
Tellin' you allDo unto others as you would have them do unto yourself,
You did it unto me and now im doin it unto you X2
Oh noThere must have been some mistake
Im not the one who should be saved
My devility has been denied
Mary and me were both fucked by godDo unto others as you would have them do unto yourself,
You did it unto me and now im doin it unto you X2
Oh noYou did it unto me and now im doin it unto you X4
Oh noDo unto others as you would have them do unto yourself,
And now im doin it unto you X2You did it unto me and now im doin it unto you X2You did this unto me and now im doin it unto you X6You did this unto me X6
