

Light Me Up (US Version)

Birdy

I'm finding my heart
Using my hands
You're my feet on the ground
My footprints
From where I began
I still carry your love
I feel your love Untie this cord
We don't need it no more
Wherever we are, I'm yours always
It flows in my blood
I still carry your love
I feel your love We start running, running
To escape this town
We don't know where we're going
'Til we turn round
And I keep on running, running
I don't slow down
And if I'm lost where shadows fall You light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
Where they're gonna be found Keep my eyes shut
Safe in this trust
You're all that I need
My senses
Shinning on me
I still carry your love
I feel your love We start running, running
To escape this town
We don't know where we're going
'Til we turn round
And I keep on running, running
I don't slow down
And if I'm lost where shadows fall You light me up
When all I see is darkness
You light me up
When I'm down

And if I fall apart
You know where to find my pieces
Where they're gonna be found
[x2]I'm finding my heart
Using my hands
You're my feet on the ground
My footprints
From where I began
I still carry your love
I feel your love You light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
Where they're gonna be found
[x2]I'm finding my heart
Using my hands
You're my feet on the ground
My footprints
It flows in my blood
I still carry your love
I feel your love
