

# Soul Suckers

[Amos Lee](#)

Did you believe them  
When they told you they discovered you  
And that everything is free  
As long as you do what they tell you to  
You think it's true But nothing could be further from the truth, my love  
Did you even listen when they told you to change your name Now nobody wants honesty when looking at a  
perfect frame  
Play the game But nothing could be further from the truth, my love  
And nothing is more powerful than beauty in a wicked world Play it girl  
Play it girl  
Play it girl Does it make you feel good  
When they tell you what you want to hear  
And after they suck all your soul  
Well, that's when they'll disappear  
Disappear, disappear for ever Like a prince in your little fairy tale  
And you will find it when they put your soul on sale But nothing could be further from the truth, my love  
And nothing is more powerful than beauty in a wicked world
