

# Leave My Mind

## Modestep

Now I really cannot see,  
If you were good for me at all  
I wanna say, that everything's fine,  
But it's not... but it's not  
All the times you made me stay,  
I see it all so clear today  
And I wish I could  
Turn back time... turn back time  
If I had a choice  
I'd leave all behind  
If I had a choice  
I'd make you leave my mind  
Leave my mind  
The things you had me do  
Everytime you knew I would  
I wanna say, that I was aware  
But I can't... but I can't  
All you tried to take away

I see it all so clear today  
And I feel like a fool  
I let myself down... let myself down  
If I had a choice  
I'd leave all behind  
If I had a choice  
I'd make you leave my mind  
Leave my mind  
And you begged me to trust you  
I wish I never did  
And you begged me to trust you  
I wish I never did  
If I had a choice  
I'd leave all behind  
If I had a choice  
I'd make you leave my mind  
Leave my mind
