Deja Vu

Contentions

Intro

[Verse 1]
When I walked away,
I thought you wouldn't be so quick to chase me.
But I guess I was wrong,
I should have known that you would stay, stay, stay.

[Pre-Chorus]
I couldn't throw you away
if I wanted to
and you proved to be much worse
than I ever dreamed.

[Chorus]
I thought I heard a knock at my door.
(You like a ghost in the wall?)
The sound of your footsteps on the floor.
(You want what's not yours)
It seems I've been here before.
Afraid of wanting you more, it keeps on haunting me.

[Breakdown]
YOU KEEP ON HAUNTING ME!
NIGHT AFTER NIGHT, A THIEF OF MY DREAMS.

[Bridge]
These thoughts are ever chasing.

[Chorus]
I thought I heard a knock at my door.
(You like a ghost in the wall?)

The sound of your footsteps on the floor
(You want what's not yours)
It seems I've been here before
Afraid of wanting you more, it keeps on haunting me

[Middle 8]

The sound of your footsteps on the floor...
It seems I've been here beforeâ€¦
Afraid of wanting you more, it keeps on haunting me...

[Solo]

[Outro]
I thought I heard a knock at my door
The sound of your footsteps on the floor
It seems I've been here before
Afraid of wanting you more, it keeps on haunting me...
