

Vow (Tuesday Night Club Mix)

Garbage

I can't use what I can't abuse
And I can't stop when it comes to you
You burned me out but I'm back at your door
Like Joan of Arc coming ack for moreI nearly died
I nearly died
I nearly died
I came to cut you up, I came to knock you down
I came around to tear your little world apart
I came to shut you up, I came to drag you down
I came around to tear your little world apart and break your soul apartAh, you burn and burn to get under my
skin
You've gone too far now I won't give in
You crucified me but I'm back in your bed
like Jesus Christ coming back from the deadI nearly died
I nearly died
I nearly died
I came to knock you up, I came to cut you down
I came around to tear your little world apart
I came to rock you up, I came to shout you down
I came around to tear your little world apart and break your soul apartI nearly died
I nearly died
I nearly died
I came to cut you up, I came to knock you down
I came around to tear your little world apart
I came to shut you up, I came to suck you down
I came around to tear your little world apartTear your little world apart
Tear your little world apart and break your soul apart
I can't stop when it comes to you
I can't stop when it comes to you
When it comes to you
When it comes to you
