Screaming

Newtown Neurotics

1, 2, 3, 4!Yeah!At the edge of us
I'm holding on
I've lost your trust
But I'm still tryingI've changed in many ways
I can't explain
I've lost my touch
And I'm not lyingScreaming on the inside
Yeah, on the inside
I've come undoneAnd I'm waiting for a time like
Yeah, for a time like this
To prove you wrong
To prove you wrongYou've got a grip on me
I cannot take it by mistake
And you're the cowardMy tongues become a gun
You've tortured me
I'm out of luck
And you're the triggerScreaming on the inside
Yeah, on the inside
I've come undoneAnd I'm waiting for a time like
Yeah for a time like this
To prove you wrong
To prove you wrongWhat goes on behind those eyes of yours
I'll never know but I've been told
When this all comes crashing down on us
I'll be here to sort us out
To sort us out, outAnd I'm screaming on the inside
Yeah, on the inside
I've come undoneAnd I'm waiting for a time like
Yeah, for a time like this
To prove you wrong
To prove you wrongScreaming on the inside
Yeah, on the inside
I've come undoneAnd I'm waiting for a time like
Yeah, for a time like this
to prove you wrong
to prove you wrong
to prove you wrong
to prove you wrong
