

I Wouldn't Mind

He Is We

Merrily we fall
Out of line, out of line
Id fall anywhere with you
Im by your sideSwinging in the rain
Humming melodies
We're not going anywhere until we freezeIm not afraid, anymore
Im not afraidForever is a long time
But I wouldn't mind spending it by your sideCarefully we'll place our destiny
You came and you took this heart, and set it free
Every word you write or sing is so warm to me, so warm to me
Im torn, Im torn to be right where you areIm not afraid, anymore
Im not afraidForever is a long time
But I wouldn't mind spending it by your side
Tell me everyday I get to wake up to that smile
I wouldn't mind it at all
I wouldn't mind it at allYou so know me
Pinch me gently
I can hardly breatheForever is a long, long time
But I wouldn't mind spending it by your side
Tell me everyday I get to wake up to that smile
I wouldn't mind it at all
I wouldn't mind it at all
