

Same Lo' Road

[dredg](#)

Here we go down that same old road again
Sympathy unfolds the shell that holds all the beauty within
Here we go down that same old road again
A memory, a regret, a hope Here we go down that same old road again
Empathy controls the wind that blows and tickles our skin
A memory, a regret, a hope, a stimulant Recent it seems
We must push on, we must push on
Though we bleed
We must push on, we must push on All you need is a modest house in a modest neighborhood
In a modest town where honest people dwell
Making the cleanest energy for the greenest plants to grow
Richest soil that is drenched with the freshest rain
Then you should sit in your backyard
Watch clouds peak over the tallest mountain tops
Cause they unveil honest opinions about the stars We must push on, we must push on
Recent it seems
We must push on, we must push on
Though we bleed
We must push on, we must push on All you need is a modest house
In a modest neighborhood
All you need is a modest house
In a modest neighborhood
All you need is a modest house
In a modest neighborhood
All you need is a modest house
In a modest neighborhood
All you need is a modest house
In a modest neighborhood
