

Believe

[Josh Groban](#)

Children sleeping, snow is softly falling
Dreams are calling like bells in the distance
We were dreamers not so long ago
But one by one we all had to grow up When it seems the magic slipped away
We find it all again on Christmas Day Believe in what your heart is sayin'
Hear the melody that's playin'
There's no time to waste
There's so much to celebrate Believe in what you feel inside
And give your dreams the wings to fly
You have everything you need
If you just believe Trains move quickly to their journey's end
Destinations are where we begin again
Ships go sailing far across the sea
Trusting starlight to get where they need to be When it seems that we have lost our way
We find ourselves again on Christmas Day Believe in what your heart is sayin'
Hear the melody that's playin'
There's no time to waste
There's so much to celebrate Believe in what you feel inside
And give your dreams the wings to fly
You have everything you need
If you just believe If you just believe, if you just believe
If you just believe, just believe, just believe
