Where He Found Me

Deon Kipping

I remember the day
I remember the hour
Yes, I remember the place
When I was rescued
By my Lord above
He could've saved me from heaven
But He met from where He was(Pre- Chorus)
I admit I wanted to stay
But He wouldn't let me
I was lost and couldn't navigate
You said you'd guide the way
I am so glad that He didn't leave me
Where He found me (2xs)I will never forget
That amazing moment when I was saved by grace
I was abandoned
I was left to die
But out of millions in the world
You heard my cry(Pre- Chorus)
I admit I wanted to stay
But you wouldn't let me
I was lost and couldn't navigate
You said you'd guide the wayI am so glad that He didn't leave me
Where He found me (2xs)
Where He found me
He didn't leave me there
Where He found me
I was beyond repair
I know where I would be
If it wasn't for your grace and mercy
But I'm glad He didn't leave me(Vamp)
Where He found me (3xs)
He didn't leave meI am so glad that He didn't leave me
Where He found me (2xs)
I was lost but He found me
