

# Loverman

Martin L. Gore

There's a devil waiting outside your door  
There's a devil waiting outside your door  
And he's bucking and braying and pawing at the floor  
And he's howling with pain and crawling up the walls  
There's a devil waiting outside your door  
He's weak with evil and broken by the world  
He's shouting your name and he's asking for more  
Well give him more, give him more  
There's a devil waiting outside your door, oh yeah  
Lover man, since the world began  
Forever, Amen, until end of time  
Take off that dress, I'm coming down  
I'm your lover man  
'Cause I am what I am, what I am, what I am  
L is for love, baby  
O is for only you that I do  
V is for loving virtually all that you are  
E is for loving almost everything you do  
R is for rape me and  
M is for murder me  
A is for answering all of my prayers  
N is for knowing your lover man's gonna be the answer to your tear  
Lover man, till the bitter end  
While empires burn down  
Forever and ever and ever and ever, Amen, lover man  
So help me, baby, so help me  
'Cause I am what I am, what I am, what I am, what I am  
I'll be your lover man  
There's a devil crawling along your floor  
There's a devil crawling along your floor  
With a trembling heart he's coming through the door  
With his straining sex in his jumping paw, oh yeah  
There's a devil crawling along your floor  
And he's old and he's stupid and he's hungry and he's sore  
And he's lame and he's blind and he's dirty and he's poor  
Give him more, give him more, give him more, give him more  
Give him more, give him more, give him more  
There's a devil crawling along your floor  
Lover man, well here I stand  
Forever, Amen  
'Cause I am what I am, what I am, what I am  
Forgive me, baby my hands are bound  
And I got no choice, no, I got no choice at all  
I'll say it again  
L is for love  
O is for O yes I do  
V is for virtue, so I ain't gonna hurt you

E is for even if you want me to  
R is for render unto me, baby  
M is for that which is mine  
A is for any old how, darling  
N is for any old time I'll be your lover man, I got a master plan  
To take off your dress and be your man  
Well seize the throne  
Seize the mantle, seize the crown  
'Cause I am what I am, what I am, what I am, what I am  
I'm your lover man There's a devil lying by your side  
You might think he's asleep  
But look at his eyes  
He wants you, baby, to be his bride  
There's a devil lying by your side I'll be your lover man  
Your lover man, till the bitter end  
'Cause I am what I am, what I am, what I am  
Your lover man, your lover man  
'Cause I am what I am, what I am, what I am, what I am  
Your lover man
