You Look Good to Me

Fats Waller

You look good to me
good n' good to me
It's so good to be with you

And even though
we hardly know
each other
I'd like to introduce you to my mother

Sweetheart number one
It would be much fun
Keeping steady company
I only wish I knew
If I look kind of good to you
Cause baby you look to me
(you look good you look good)

I only wish I knew
I gotta look good to you
cause baby you look good
to me!
