

# We Can Work It Out

## The Beatles

Try to see it my way,  
Do I have to keep on talking till I can't go on?  
While you see it your way,  
Run the risk of knowing that our love may soon be gone  
We can work it out,  
We can work it out

Think of what you're saying  
You can get it wrong and still you think that it's alright  
Think of what I'm saying,  
We can work it out and get it straight, or say good night  
We can work it out,  
We can work it out

Life is very short, and there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crime,  
So I will ask you once again  
Try to see it my way,  
Only time will tell if I am right or I am wrong  
While you see it your way  
There's a chance that we may fall apart before too long  
We can work it out,  
We can work it out

Life is very short, and there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crime,  
So I will ask you once again  
Try to see it my way,  
Only time will tell if I am right or I am wrong  
While you see it your way  
There's a chance that we may fall apart before too long  
We can work it out,  
We can work it out
