

I'm Alive And On Fire

Danko Jones

My Mama made me sow my wild oats
I made love w/ a backstroke
Unafraid, unabashed, 'cause I'm proud
Let's get together for the rubdown I'm Alive and I'm on Fire I heard you got a hot date tonight
I got a date w/ dynamite
If you got the guts well light my match
I got an itch that you can scratch I'm Alive and I'm on Fire
