

I Do

Westlife

Tell me can you feel my heart beat?
Tell me as I kneel down at your feet
I knew there would come a time
When these two hearts would entwine
Just put your hand in mine forever For so long I have been an island
When no one could ever reach these shores
And weve got a whole lifetime to share
And Ill always be there, darling, this I swear So please believe me for these words I say are true
And dont deny me a lifetime loving you
If you ask, will I be true? Do I give my all to you?
Then I will say I do Im ready to begin this journey
Well, Im with you with every step you take
And weve got a whole lifetime to share
And Ill always be there, darling, this I swear So please believe me for these words I say are true
And dont deny me a lifetime loving you
If you ask, will I be true? Do I give my all to you?
Then I will say I do So come on, just take my hand
Oh, come on, lets make a stand for our love
But I know this is so hard I believe, so please So please believe me for these words I say are true
And dont deny me a lifetime loving you
And if you ask, will I be true? And do I give my all to you?
If you ask, if Ill be true? Do I give my all to you?
Then I will say I do
