

I'm A Woman

Wynonna Judd

Well, I can wash out forty-four pair of socks
And hang 'em on the line
You know I can starch and iron two dozen shirts
'Fore you can count from one to nine
Well, I can scoop up a great big dipper
Full of lard from a dripping's can
Throw it in the skillet, do my shopping
And be back before it melts in the pan
'Cause I'm a woman, W O M A N
(She's a woman, she's a woman)
Let me tell you again, I'm a woman, W O M A N
(Woman, she's a woman)
Well, I can rub and scrub
Till this house shines just like a dime
I feed the baby, I grease the car
And powder my nose at the same time
I can get all dressed up
Go out and swing till 4 a.m.
Lay down at five, jump up at six
And start all over again
'Cause I'm a woman, W O M A N
(She's a woman, she's a woman)
Let me tell you again, 'cause I'm a woman, W O M A N
(Woman, she's a woman)
Well, now if you come to me sickly
You know I'm a gonna make you well
And If you come to me all hexed up
You know I'm gonna break the spell
And if you come to me hungry
You know I'll feed you full of my grits
And if it's lovin' you want
I can kiss you and give you the shivering fits
Oh, let me in, let me do it again
(Woman, she's a woman)
'Cause I'm a woman, W O M A N
(Woman, oh she's a woman)
Well, I got a twenty dollar gold piece
Says there ain't nothin' I can't do
So I can make a man out of you

'Cause I'm a woman, W O M A N
(Woman, she's a woman)
Let me tell you again, I'm a woman, W O M A N
(Woman, she's a woman)
And that's all, that's all, that's all
What more do you want?
What more do you need?
'Cause I'm a woman, satisfaction guaranteed
