

# Stay the Night

## Zedd feat Hayley Williams

In the still of my heart  
There's a fire that burns my sole's desire  
Touching me, like the sun  
Here and now I give my love so faithfully  
That I will always be the one  
I wanna stay with you tonight  
I don't wanna leave  
Cause I feel the time is right  
Don't wanna go before I say  
What I have to say  
Don't ask me to walk away  
I wanna stay tonight, wanna stay the night  
Holding you close to me  
The first time that your body moved with mine  
Let them go, ease your fears  
Caressing as I am whispering in your ears  
That I will always be the one  
I wanna stay with you tonight  
I don't wanna leave  
Cause I feel the time is right  
Don't wanna go before I say  
What I have to say  
Don't ask me to walk away  
I wanna stay tonight, wanna stay the night  
Now is the time, I've been waiting for so long  
Just give me a sign, cause it's here where I belong  
OOH oh yeah (stay the night)  
I wanna stay with you tonight (stay)  
I don't wanna leave (I don't wanna leave)  
Cause I feel the time is right (Baby please tonight)  
Don't wanna go before I say  
What I have to say (what I have to say)  
Don't ask me to walk away (baby, don't walk away)  
I wanna stay tonight, wanna stay the night (wanna stay the whole night baby)  
Wanna stay the whole night baby  
Wanna give you everything and more  
What I have to say  
Don't ask me to walk away  
Stay the night, stay the whole night oh, yeah

My baby, my baby tonight  
Dont wanna go now  
I wanna stay the night  
Don't wanna go now  
Don't ask me to walk away  
Dont wanna go now  
I wanna stay the night  
Don't wanna go now  
Don't ask me to walk away  
Dont wanna go now  
I wanna stay the night  
Don't wanna go now  
Don't ask me to walk away
