Now You're Gone

Basshunter

Now you're gone I realized my love for you was strong And I miss you here now you're gone I keep waiting here by the phone With your pictures hanging on the wallNow you're gone I realized my love for you was strong And I miss you here now you're gone I keep waiting here by the phone With your pictures hanging on the wallIs this the way it's meant to be? Only dreaming that you're missing me I'm waiting here at home I'll be crazy now you're goneThere's an empty place in my heart

Without my Anna it will break apart

It won't heal, it never fades away

I'll be thinking 'bout you everydayAre you ready? Now you're gone

I realized my love for you was strong

And I miss you here now you're gone

I keep waiting here by the phone

With your pictures hanging on the wallIs this the way it's meant to be?

Only dreaming that you're missing me

I'm waiting here at home

I'll be crazy now you're goneNow you're gone

I realized my love for you was strong

And I miss you here now you're gone

I keep waiting here by the phone

With your pictures hanging on the wallIs this the way it's meant to be?

Only dreaming that you're missing me

And I'm waiting here at home

I'll be crazy now you're goneThere's an empty place in my heart

It won't alarm me, it will break apart

It won't heal, it never fades away

I'll be thinking 'bout you everyday
