

# Like That's A Bad Thing

[Danny Gokey](#)

They say I drive real fast  
Say I like to push the limit everyday I'm livin' like it was my last  
They say I'm proud of my scars  
Each ones got a story got guts and glory down to an art  
Say I know what it's like to see life flash before my eyes Like that's a bad thing  
I don't know about you  
But I was put here to live and love  
So what if I don't do it like everybody else does  
They say I'm out on the edge  
I'm to willing to risk every bone every breath  
They say all I am is a crazy dream  
Like that's a bad thing So my hearts been broke  
So I keep on fallin it's nothin but all in when I let go  
I wear it on my sleeve  
They call me a fool  
Cause I still believe Like that's a bad thing  
I don't know about you  
But I was put here to live and love  
So what if I don't do it like everybody else does  
They say I'm out on the edge  
I'm to willing to risk every bone every breath  
They say all I am is a crazy dream  
Like that's a bad thing
