Silent Night

Smiling Horse

Night after night
They say it gone be all right
Donâ€™t let your dream go up in smoke

Time after time like an Indian on a shoreline
They say it gone be all right

Peace will come our tears will dry
In a silent night it will be all right

Night after night
They say it gone be all right
Donâ€™t let your dreams go up in smoke

Time after time like an Indian on a shoreline
They say it gone be all right

Peace will come our tears will dry
In a silent night it will be all right
