

Break Free (Zardonic Remix)

Heavygrinder

Break Free

Like a strange disease
Hidden under flesh it feeds
On you and me
We were never given choice
We're born to follow without voice
Resist, resist

(Just Breathe) Break free
(Just Breathe) Break free
(Just Breathe) Break free
(Just Breathe) Break free
Just Breathe

This body is not a part of me!
Why can't time break free?
(Just Breathe)
This body is not a part of me!
Why can't time break free?
(Just Breathe)

(Just Breathe)

This body is not a part of me!
Why can't time break free?
(Just Breathe)
This body is not a part of me!
Why can't time break free?
(Just Breathe)
This body is not a part of me!
Why can't time break free?
(Just Breathe)

(Just breathe)
