

Rev 22-20 (Dry Martini Mix)

Puscifer

Don't be aroused, by my confession
Unless you don't give a good Goddamn about redemption
I know Christ is comin', so am I
And you would too if the sexy devil caught your eye

She'll suck you dry
But still you'll cry, to be back in her bosom
To do it again
She'll make you weak
And mourn and cry, to be back in her bosom
To do it again

(Pray) Til I go blind
(Pray) Cause nobody ever survives
Prayin' to stay in your arms just until I can die a little longer
Saviors and saints, devils and heathens and lies
She'll eat you alive

Jesus is risen, it's no surprise
Even he would martyr his mama to ride to hell between those thighs
The pressure is building, at the base of my spine
If I gotta sin to see her again then I'm gonna lie and lie and lie

She'll make you cry
I'll sell my soul, to be back in your bosom
Gladly now please suck me dry
And still you'll cry, to be back in her bosom
To do it again

(Pray) Til I go blind
(Pray) Cause nobody ever survives
Prayin' to stay in her arms just until I can die a little longer
Saviors and saints, devils and heathens and lies
She'll eat you alive

My pulse has been rising
My temples are pounding
The pressure is so overwhelming and building
So steady they're fretting I'm ready to blow

What is she what is she what is she waiting for?

(Pray) Pray til I go blind

(Pray) Pray cause no one ever survives

Prayin' to stay in her arms just to die longer

Saviors and saints, devils and heathens and lies

She'll eat you alive
