

# The Turnaround

## Ringo Starr

How thick can you be ?  
Lost in your dreamery  
Pick your own reality  
How many versions do you need ? How low can you go ?  
Hear the devil say hello  
If you light the fuse don't you know  
Like Moby Dick... there she blows Somewhere out there you can find it anywhere  
Uptown downtown you've got to find the turnaround Don't tell me what to say ?  
I'm gonna say it anyway  
Black and blue or shades of grey  
Find your middle s'il vous plait How do you get to sleep ?  
With the promises you never keep  
The hill you're on is mighty sleep  
It's all right Somewhere out there you can find it anywhere  
Uptown downtown you've got to find the turnaround You can draw your own conclusion  
Reality or illusion  
Stop the chaos and confusion  
Get yourself a life transfusion Somewhere out there you can find it anywhere  
Uptown downtown you've got to find the turnaround  
Come on turnaround
