

When The Sinner

Halloween

Now it's time, to shake it all up to be free
Now it's time, to make us some room to let us be
Oh, it feels so bad
Yes it feels so bad
When everything good looks so bad
When everything right goes so wrong I am up, to break all down what's in my way
I won't stop, until I am where I'm gonna stay
No one holds me back, no, no one holds me back
Don't wanna be what I'm not
But it's gotta be, be myself who breaks my neck I look here and you look there
I know it's got to be somewhere
We look around and search around
And walk around and hear around
We keep on looking 'till we know what for If you don't know it, I don't know it
We don't know it, who will know it?
All of us don't know what we should know
Maybe one day we'll know
But anyway we've got to make a stop Over my head
Look over my head you won't see no halo
It's driving me mad
I must hold it back inside When the sinner searches a sin, it's all of us
When we finally search inside, it's under us
We keep on looking anyway
If we don't find it who must pay
All I've ever done I've done for you In my mind, the battle goes on 'till I give up
Will we find, the key of live we once have dropped?
Do you really care?
Tell me you really care?
You may find Mr. Blame
But the guilt of life burns everywhere Give me light to see my inside
Give me light to see my sin
I'd never do what I regret
I've never done anything bad
You must be joking when you point at me Hey! Don't you blame me! Don't you touch me
Won't you ever leave me be?
I wanna live! don't wanna think
Why should I give what I can drink?
Man! Life is short so I take what I need Over my head
Look over my head you won't see no halo

It's driving me mad
I must hold it back inside When the sinner searches a sin, it's all of us
When we finally search inside, it's under us
We keep on looking anyway
If we don't find it who must pay
All I've ever done I've done for you Pain! I feel inside is such a
Shame! No one fights fair, but who's to
Blame! Might be game of life but it ain't over
Now! I walk my way firm any
How! My conscience speaks and there are
Doubts! But nothing's sure in life
And it ain't over now I look here and you look there
I know it's got to be somewhere
We look around and search around
And walk around and hear around
We keep on looking 'till we know what for If you don't know it, I don't know it
We don't know it, who will know it?
All of us don't know what we should know
Maybe one day we'll know
But anyway we've got to make a stop Over your head
Look over your head you won't see no halo
It's driving you mad
You must hold it back inside When the sinner searches a sin, it's all of us
When we finally search inside, it's under us
We keep on looking anyway
If we don't find it who must pay
All I've ever done I've done for you
