Leave Me Here

Hem

I should wake up this town
My heart's on fire
Main road and no one's around
As the flames climb higherI have been here before
And I know the way
But love seemed sweeter and sure
In the light of the daySo as I rise, I will reach for the livin'
And I'll say no prayer
'Cause tonight he brought me to Heaven
And left me hereI could tell by his face
Those two tired eyes
It's been a long night searching for grace
Now the sun won't riseNow I have been here before
Though I know I am lost
'Cause the same place that filled me with joy
Is just a road I crossed, just a road I crossedSo as I rise, I will reach for the livin'
And I'll say no prayer
'Cause tonight he brought me to Heaven
And left me hereSo as I rise, I will reach for the livin'
And I'll say no prayer
'Cause tonight love feels nothing like Heaven
Don't leave me here
