

# Radio Free Europe (Original Hib-Tone Single)

R.E.M.

Beside yourself if radio's gonna stay  
Reason: it could polish up the gray  
Put that put that put that up your wall  
That this isn't country at all Raving station, beside yourself Keep me out of country in the word  
Deal the porch is leading us absurd  
Push that push that push that to the hull  
That this isn't nothing at all Straight off the boat where to go?  
Calling on in transit calling on in transit  
Radio Free Europe, radio Beside defying media too fast  
Instead of pushing palaces to fall  
Put that, put that, put that before all  
That this isn't fortunate at all Raving station, beside yourself  
Calling on in transit, calling on in transit  
Radio Free Europe, radio Decide yourself, calling all of the medias too fast Keep me out of country in the word  
Disappoint is into us absurd Straight off the boat, where to go?  
Calling on in transit, calling on in transit  
Radio Free Europe  
Radio Free Europe Calling on in transit, calling on in transit  
Radio Free Europe, Radio Free Europe
