Year Zero

Stinkin Rich

Be a hero, kill your ego
It doesn't matter, it's all just a pack of lies
Build a new base, steal a new face
It doesn't matter it's all just to save you
We'll never fade away
We'll never fade away
I will stand by your ground
I will tear down myself, I won't fade
Year zero, another hero
Is anybody alive here across the line?
Buy a new face, start a new race
It doesn't matter, it's all just to save your face
It's all just to save your face
It's all just to save you
We'll never fade away
We'll never fade away
I will stand by your ground
I will tear down myself
I will stand by your ground
I will tear down myself

I won't fade and I won't fade
We'll never fade away
We'll never fade away
We'll never fade away
We'll never fade away
We'll never fade away
We'll never fade away
(We will never fade away)
We'll never fade away
(We will never fade away)
We'll never fade away
(We will never fade away)
We'll never fade away
(We will never fade)
We'll never fade away
(We will never fade away)
We'll never fade away
(We will never fade)

We'll never fade away
