

# So We Know

## DMA's

Where you wanna be  
I feel nothin at all  
Says she wants to start  
Now she's back on the hall And I can't be certain  
That they're pulling the curtain on me  
But if tomorrow's a burden  
Then I'm still learning to be Lost you in a state that night  
Realised I can't get it right  
Til i change  
And you go  
And it rains  
So we know I can't keep up with losing now  
Now I know what life's about  
Now you're gone Standing on the street  
Neon lights in my mind  
I'm Chasing liberties  
Cos there's none in my life And I can't be certain  
That they're pulling the curtain on me  
But if tomorrow's a burden  
Then I'm still learning to be Lost you in a state that night  
Realised I can't get it right  
Til I change  
And you go  
And it rains  
And we know I can't keep up with losing now  
Now I know what life's about  
Now you're gone
