

Do It Up

Mitchel Musso

yeah lets take it back now
so you wanna take a ride with me
yeah you wanna break but honestly
no. im not gonna save you
and make it all alright
get down with that
its goin down tonight
first of all you gotta dance with me
and then ill tell you
what its gonna be
come a little closer
im not gonna bitte
come on come on
lets do it up tonight
lets do it up [times 2]
i dont want your time to be a friend
no. yeah i could tell you how its gonna end
and dont think you can save me
that its no me and you
get down with that
i know what we could do
first of all you gotta dance with me
and then ill tell you
what its gonna be
come a little closer
im not gonna bite
come on come on
lets do it up tonight
i dont mind pretending you are mine
that its never ending
keep in mind
that were never gonna make it
yeah yeah
that were never gonna make it
hey hey
never ever gonna make it
first of all you gotta dance with me
ad then ill tell you
what its gonna be

come a little closer
im not gonna bite
come on come on lets do it up tonight
lets do it up [times 7]
come a little closer
in not gonna bite
come on come on
lets do it up tonight
