

Some of Shelly's Blues

Michael Nesmith

Tell me,
Just one more time the reasons why you must leave
Tell me once more why you're sure you don't need me
Tell me again but don't think that you'll convince me
Now you've said,
Before falling in love again you'd rather be dead
'Cause when someone breaks your heart, you cry your eyes red
But there's nothing so hard about the life that you've led
As far as I can see,
There's no reason for goodbyes
You're just running scared
And that's something I won't buy
So you lose,
I won't let you go with nothing to show but more blues
And all this talk about leaving is strictly bad news
So settle down and stay with the man that loves you
As far as I can see,
There's no reason for goodbyes
You're just running scared
And that's something I won't buy
So you lose,
I won't let you go with nothing to show but more blues
And all this talk about leaving is strictly bad news
So you settle down and stay with the man that loves you
Yes you settle down and stay with the man that loves you
Yes you settle down and stay with me baby
