

Pretty Thing

Jamie Foxx

Yeah, Jamie Foxx, Mustard on the beat hoI can make you feel it if you really ready
'Cause we loving something that you get to choose
But when it hits you, ooh you know you can't help it
There's nothing like this situation with youI want to love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
I want to love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
Baby I, I, girl I got no jokes for ya
I can't lie
Baby I, I, feel it in my bones for ya
I just can't get rightI know the question's on your mind been kinda heavy
But if you ask me, girl I swear to tell the truth
Your friends say I'll hurt you cause they jealous
They hate to see you doing better than they doI want to love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
I want to love you (PYT) pretty young thing
Your husband everywhere (PYT) but I'll take you there
Baby I, I, girl I got no jokes for ya
I can't lie
Baby I, I, feel it in my bones for ya
I just can't get right
