

Selfishly

Glenn Lewis

v1:

We're at two different places in our lives and I can see what's coming up for sure
No two people are the same but I'd hate to say it, still I can't help feeling seen this before

Once you came into my life

You were my world

Song that my heart would sing

No summer's day more clear to me -

The love that you've

Offered it gladly (sooooo...)chorus:

Selfishly

It's hard to let you be

'Cause I wonder where you are and if you truly understand that

Honestly

More than you can see,

I love you with all my heart

If I let go then will you come back?v2:

We've talked about it so much I'm afraid that you'd wanna give up and I'd lose you right away
You're trying to figure out what's next for you, while I feel before time runs out and it's too late

Gotta get my future right

and make my life

count for something

Gotta give my hardest try

but you hold my heart -

it's made you my everything...(soooooohhhh!!!...)chorusWill you come back?

(come back...)

Will you come back?

Will you come back?

ooooohhhhhh...(ooohhhhhh ooooooo...)chorus x 2Will you come back?

Will you come back?

Will you come back?
