Goody Two Shoes

Adam and the Ants

With the heartbreak open
So much you can't hide
Put on a little make-up, make-up
Make sure they get your good side good sideIf the words unspoken
Get stuck in your throat
Send a treasure token, token
Write it on a pound note, pound noteGoody two, goody two, goody goody two shoes
Goody two, goody two, goody goody two shoesDon't drink don't smoke - what do you do?
You don't drink don't smoke - what do you do?
Subtle innuendoes follow
There must be something insideWe don't follow fashion
That would be a joke
You know we're gonna set them, set them
So everyone can take note, take noteWhen they saw you kneeling
Crying words that you mean
Opening their eyeballs, eyeballs
Pretending that you're al green, al greenGoody two, goody two, goody goody two shoes
Goody two, goody two, goody goody two shoesDon't drink don't smoke - what do you do?
You don't drink don't smoke - what do you do?
Subtle innuendoes follow
Must be something insideNo one's gonna tell me
What's wrong or what's right
Or tell me who to eat with, sleep with
Or that I've won the big fight, big fightLook out or they'll tell you
You're a "superstar"
Two weeks and you're an all time legend
I think the games have gone much too farIf the words unspoken
Get stuck in your throat
Send a treasure token, token
Write it on a pound note, pound noteDon't drink don't smoke - what do you do?
You don't drink don't smoke - what do you do?
Subtle innuendoes follow
Must be something inside (he's hiding)
