Scream

Samantha Jade

Scream,
I see you over there so hypnotic
Thinking bout what I'd do to that body
I'll get you like uh baby, baby, uh baby, baby
Uh baby, baby, uh baby, baby
And I've tried, to fight it, to fight it
But you're so, magnetic, magnetic
Got one life, just live it, just live it
Now relax and get on your back[Chorus]
If you wanna scream, yeah
Let me know and I'll takeyou there
Get you going like uh baby, baby,
Uh baby, baby, uh baby, baby
If you wanna turn right
Hope you're ready to go all night
Get you going like uh baby, baby
Uh baby, baby, uh baby, baby
ScreamKill the lights, shut em off, you're electric
Devil eyes tellin me come and get it
I'll have you like uh baby, baby
Uh baby, baby, uh baby, baby
And I've tried, to fight it, to fight it
But you're so, magnetic, magnetic
Got one life, just live it, just live it
Now relax and get on your back[Chorus]
If you wanna scream, yeah
Let me know and I'll take you there
Get you going like uh baby, baby,
Uh baby, baby, uh baby, baby
If you wanna turn right
Hope you're ready to go all night
Get you going like uh baby, baby
Uh baby, baby, uh baby, babyAnd I've tried, to fight it, to fight it
But you're so, magnetic, magnetic
Got one life, just live it, just live it
Now relax and get on your back[Chorus:x2]
If you wanna scream, yeah
Let me know and I'll take you there
Get you going like uh baby, baby,

Uh baby, baby, uh baby, baby
If you wanna turn right
Hope you're ready to go all night
Get you going like uh baby, baby
Uh baby, baby, uh baby, baby
Yeah!
