

# The Beautiful Ones

## Mariah Carey

Baby baby baby  
What's it gonna be?  
Oh, baby, baby, baby, yeah yeah  
Is it him or is it me?  
Oh, don't make me waste my time  
Don't make me lose my mind baby, yeahBaby, baby, baby  
Can't you stay with me tonight?  
Oh baby, baby, baby  
Come, on, don't my kisses please you right?  
You were so hard to find  
The beautiful ones they hurt youEvery time  
Paint a perfect picture  
And bring to life a vision in one's mindThe beautiful ones  
(The beautiful ones)  
Always smash the pictureAlways every time  
If I told you baby  
That I was in love with youOh baby, baby, baby  
If we got married (got married)  
Would that be cool?  
You make me so confused  
The beautiful ones  
You always seem to lose, babyBaby, baby (yes baby, yes, baby)See the beautiful ones  
(The beautiful ones)  
See the beautiful ones  
(The beautiful ones)  
Do you all hear  
Do you all mean  
'Cause I want you  
Yes I mean, I want you  
Oh yeah, baby  
I want you, oh yeah  
I want you  
Alright  
You may not know where I'm going baby  
I may not know, said I may not know  
Said you may not know  
But I mean what I mean  
But one thing, one thing is certain baby  
I know what I want

And that's to please you baby, to please you baby  
The one thing is I want you I want you  
I need you oh so bad, so bad  
I want you  
Why oh why  
Why oh why  
Why oh why  
Baby, why, oh baby baby baby  
The beautiful ones  
You wanna love me, love me  
Or you wanna throw me away  
I gotta know  
I gotta know, baby  
Gotta know, baby, baby, baby  
Baby baby baby  
I need you  
Baby baby baby  
I want you  
Tell me why  
The beautiful ones  
They hurt you every time
