Together Forever

Playmen

Baby baby, come right back to me
Love me love me, show that you love me
Hold me hold me, hold me and adore me
I can't live without you.. / baby.
I can feel it, you're inside my soul
In my mind, i think i' m losing control
I still can't believe it
I can see it, even if i' m wrong
No way out, thought you and me were together
Together forever
Baby baby, come right back to me
Love me love me, show that you love me
Hold me hold me, hold me and" adore me
I can't live without you.. / baby.
