

# Dawn Of Your Creation

## Dynazty

A call of dark within  
Oh, I can taste your inner rage  
You have built a prison that you cannot escape  
No way to tame that fire  
Your animal desire will take a hold and seize control  
As your blood begins to boilThe dawn won't come againSacrifice, Realise  
See the world with different eyes  
Can you understand, you're at the dawn of your creation  
Sacrifice, Realise  
Try to see and you will find the way  
At the dawn of your creationA ray of light within  
Life begins whenever you decide  
A will of stone shall resurrect your dying soul  
Reignite your fire  
Climb up ever higher  
The dark became the spark that lit the dawn of your first daySacrifice, Realise  
See the world with different eyes  
Can you understand, you're at the dawn of your creation  
Sacrifice, Realise  
Try to see and you will find the way  
At the dawn of your creationThe dark became the dawn of your first day
