Line of Fire

Junip

What would you do
If it all came back to you?
Each crest of each wave
Bright as lightningWhat would you say
If you had to leave today?
Leave everything behind
Even though for once, you're shiningStanding on higher ground
When you hear the sounds
You realize its just the wind
And you notice it matters who and what you let under your skinIf put to the test
Would you step back from the line of fire?
Hold everything back
All emotion set aside itConvince yourself
Someone else
Hide from the world
Your lack of confidence
What you choose to believe in
Takes you as you fall
Takes you as you fallNo one else around you
No one to understand you
No one to hear your calls
Look through all your dark corners
You're backed up against the wall
Step back from the line of fireWhat would you do
If it all came back to you?
Each crest of each wave
Bright as lightning
Do the same as youWhat you choose to believe in
Takes you as you fallNo one else around you
No one to understand you
No one to hear your calls
Look through all your dark corners
You're backed up against the wall
Step back from the line of fire
